The bizSAFE programme is administered by the Ministry of Manpower (MOM) and Workplace Safety & Health Council (WSHC) and it recognizes Small Medium Enterprises (SMEs) for their efforts in managing safety and health hazards in their workplace / worksite. To ensure compliance to the Workplace Safety and Health Act (WSHA), many established corporations have placed bizSAFE certification as a supplying, tendering and sub-contracting requirement. Thus, sub contractors, suppliers and tenderers having bizSAFE certification will have a competitive edge over those who do not.

To attain bizSAFE Level 1 certification, the CEO or anyone from the top management of a company has to attend the bizSAFE Level 1 Workshop. After participating the workshop, the company will be certified as a bizSAFE Level 1 enterprise.
